

Class-VIII

M.Sc., Lesson-8

A. Answer the following questions:-

1. What was the effect of failure on Megha?

Ans. It gave her such a shock that she had to be admitted to a hospital.

2. Why did Megha not well in the Board Examination?

Ans. Because she was not able to keep her moral high.

3. What is the result of giving up at the first sign of defeat?

Ans. The result of giving up at the first sign of defeat is far from success.

4. How should one accept defeat ?

Ans. By keeping up moral high.

5. How can failures help one to succeed?

Ans. By keeping up moral high and doing hard work.

B. Fill in the blanks:-

1. **Success** and **failure** are the two sides of the same coin.
2. Most often success has followed a series of **failure**.
3. Learning to accept **defeat** is in itself a success.
4. A person who cannot accept defeat is **has no values in life**.

C. Write T for true and F for false:-

1. Everybody wants to succeed. **T**
2. It is very easy to accept defeat. **F**
3. The final outcome is the only important thing. **F**
4. Nothing can be learnt from failure. **F**
